

A Gift
Beyond
Measure

*There are no walls around the teaching
and the message as it goes out into the world.*

—Sri Harold Klemp

*The power of ECK is here,
the love of ECK is here; It is
moving out into the world. People
are going to sense the freedom
that comes with this path.*

A Mission of Endless Possibilities

Opportunities abound to help the MAHANTA bring the message of the Light and Sound to the world—a mission of endless possibilities. Our goal is to reach every seeker in every country with the teachings of ECK.

This far-reaching vision has the potential to impact the world in ways we have yet to imagine. It is a magnificent opportunity to help the MAHANTA bring the teachings of the Light and Sound to the world in new and dynamic ways.

To fulfill this dream, the team at the ECKANKAR Spiritual Center has also been busy. Over the last few years, we have

- developed new digital resources to better reach seekers around the world, including our new website, annual online ECK Soul Adventure Events, new podcasts and eBooklets, the *ECKANKAR Soul Adventure Magazine*, and more;

- Gave over 30,000 books from Sri Harold's Immortality of Soul series to regions around the world to share ECK jewels of wisdom with seeking Souls
- expanded resources for chelas and ECK leaders, including the Spiritual Leadership blog (SpiritualLeadership.org), Satsang intensives, and easy access to all your ECK discourses online;
- supported future generations of young ECKists and their parents through dynamic resources such as *Letter of Light* (now sent to families around the world) and ECKparents.org.

All this was made possible through your ongoing gifts of love.

Building Our Future

Each year, thousands of people from all over the world come to visit the ECKANKAR Spiritual Campus for the beauty, peace, and spiritual joy they experience there.

With your help, we have made much-needed improvements to the Temple of ECK, including replacing the roof, expanding the parking lot, and upgrading the sidewalks and back patio.

Your generous donations have made these renovations possible, allowing the Temple of ECK to shine ever brighter as a beacon for all who are searching for spiritual freedom.

This is the age for ECKANKAR to be brought out again. A cultural, social, and spiritual golden age will be the result.

—Sri Harold Klemp
