

THE LIVING ECK MASTER'S IMAGE

In your inner vision, put the image of the Living ECK Master in front of you like a screen. Imagine that all thoughts, words, actions, and feelings flowing from you must pass through this screen. Likewise, all things coming toward you must pass through the image of the Master.

A chela who tried this exercise wrote, "I was given a job to do at work. Within two hours I felt shaky and got upset. Then I remembered you had said to hold your image in mind and let you do for me. Within thirty minutes I had completed the job and put the papers on my employer's desk. He congratulated me for my efficiency and industry."

The image of the Living ECK Master acts as the matrix for the Holy Spirit to come flowing through, lifting you into the higher planes, and giving you greater love.
